PUBLIC SERVICE
COMMISSION

We hereby request a public hearing on the proposed rate increase to our sewer charges.

2013-00030

As citizens of Hardin County and customers of HCWD #1, we find the proposed average 16% increase in the sewer rates excessive and a burden on our monthly budgets.

We're also troubled by the fact that, at the same time of the rate increase for us and our families, the HCWD Board approved an annual salary increase for GM Jim Bruce to \$125,000 and authorized 5 weeks paid vacation (see <https://www.hcwd.com/Docs/Minutes/031913%20min.pdf>).
